documents and indicate that they were considered by making appropriate notations on the attached 1449 form.

The following statement regarding the non-English language document is provided:

1. **EP 1 020 135** - This document is believed to be related to U.S. Patent No. 6,309,124, submitted herewith.

2. **FR 1 425 166** - This document is cited in the priority application's French Search Report for the following co-pending application:

Application No.:	10/060,234
Filing Date:	February 1, 2002
Inventor:	Jean-Louis H. GUERET
Attorney Docket No.:	05725.1017-00000

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and Applicant determines that the cited documents do not constitute "prior art" under United States law, Applicant reserves the right to present to the U.S. Patent and Trademark Office the relevant facts and law regarding the appropriate status of such documents.

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.
